

Foreign News.

The British mail steamship Canada, Capt. Harrison, reached her dock at Jersey city at 2 o'clock on Saturday morning, with advices from London to the evening of the 16th ult., and Liverpool to the 17th.

Thursday, the 15th ult., was observed throughout Great Britain as a day of general thanksgiving for the disappearance of the pestilence which had devastated the country.

The execution of the Mannings, for the murder of O'Connor, occupies a large space in the columns of the London journals. It took place on the 13th, at Horse-monger jail. Not less than 50,000 persons were present at the execution, and scenes the most disgraceful were enacted. A female was killed by the pressure of the crowd, and two others severely injured.

CONSTANTINOPLE, Nov. 1.—The British fleet is at present at anchor at Besika Bay, and will remain there till the arrival of the courier from St. Petersburg with the reply of the Emperor to the communication of Fund Effendi, the envoy of the Sultan. Should the reply of the Czar be of a hostile nature, the fleet will proceed to Constantinople.

On the 20th ult., General Aupick had also an interview with Reschid Pasha, and the Minister of Foreign Affairs, in which he assured them of the determination of the French government to give an armed support to Turkey in case of a Russian invasion, and that the fleet under Admiral Pargavel Desbrenne would co-operate with the force of the Sultan in case of emergency.

Recently issued the following proclamation to the Hungarian refugees on the 18th October: He signs himself "Governor of Hungary":

"I hereby make known the official declaration of His Excellency the Pacha:

"1. That His Majesty the Sultan, whom may God grant a long life, has determined that he will not give up to the enemy any who wish to remain; but that he will protect us, and afford us the rights of hospitality.

"2. Those who wish to partake of these rights of hospitality for the future, shall be supplied not only with food as hitherto, but also with articles of clothing; nay, even in regard to their pay, they may expect that indemnity which is compatible with the glory and renown of His Majesty the Sultan. The hope is also held out that the officers may retain their rank, and without being compelled to change their religion, enter the Turkish service, and that it is contemplated to secure the destiny of all the emigrants, either by the formation of a colony, or in some other suitable manner."

Mr. Rives, the American Minister, has had an official interview with Bonaparte, President of France, whose reception was apparently most sincerely cordial, and expressive of peace on both sides.

Mr. Clay in Baltimore.

BALTIMORE, Nov. 20, 1849.

Hon. Henry Clay arrived in this city yesterday, and was warmly welcomed by thousands of his friends.

Mr. Clay addressed the people to-day from Barnum's Hotel.

He said that he always felt at home when in Maryland, the State being the birth-place of his better half. He felt afraid that the importance of his return to the Public Councils of the country, was over-rated by his friends. He still felt his old devotion to the service of the public, but, at the same time, he felt the weight of time upon him, which unfits him for the active services of his earlier days.

He then alluded to the slavery question, and said there was unnecessary agitation upon the subject. The soil could never exist in California and New Mexico. The cool climate, the business of the country, the habits and pursuits of the people forbid it.

He then spoke of the importance of the Union, and said that, contrasted with it, the slavery question sank into nothing. Under all circumstances, he would stand by the Union.

He considered that no one question could be of sufficient importance to cause a dissolution, and let the storm come from what quarter it may, he should defend the Union, right or wrong.

If it should be dissolved, our country would require no historian. Her history would be written from that of Greece. Mr. Clay would arise and pay the part of Philip and Alexander. There would be foreign adventures, and no foreign and domestic wars, until every trace of liberty be lost in this part of the world.

Mr. Clay became quite animated. He spoke with feeling and powerful effect. He thanked the people for the affectionate kindness they had always shown him, and should ever remember it.

He closed amid tremendous and reiterated applause.

The official returns of the late election in Louisiana from all except four parishes, gives Walker, the Democratic candidate for Governor 17,154, and Debow 10,740 votes. Walker's majority is therefore 6,414, and will be increased to nearly 7,000. The vote polled is large, and will amount in the aggregate to 36,000, against 33,553 last year. The state of parties in the Legislature will be as follows:

	Wm. W.	Dem.
Senate,	14	15
House,	54	43
	68	61

Whig majority.

The Carlisle Herald, in remarking upon the selection of Prof. Wm. H. Allen, A. M., M. D., of Dickinson College, as President of the Girard College, for Orphans, assures us that the opinion expressed of his abilities is well founded, and will be fully confirmed, adding that "Prof. Allen ranks high as a man of mind and thorough education; and though we exceedingly regret to hear of his unexpected removal from our community, we congratulate him on the distinguished mark of public favor which he has thus received." He will enter upon his duties on the 1st of January next. He is not an L. D. His place in Dickinson College will probably be filled temporarily by Rev. C. P. Wins, pastor of the First Presbyterian Church, Carlisle.

The average Whig vote on the entire State ticket in New York, as counted by the canvassers, at Albany, on Wednesday, is 202,102, and the average Democratic vote 201,741, showing an average Whig majority of 361. The aggregate Whig vote 1,615,516, and the aggregate Democratic vote 1,613,929, showing a Whig majority of 2,587. The Whig average is less than General Taylor's vote by 16,501, and the Democratic average less than Cass and Van Buren by 33,037 votes.

It is said that Capt. Lynch has offered his services to our government, to lead an expedition to go in search of Sir J. Franklin; and Capt. L. promises that "in case the government shall sanction his efforts, he will raise from private sources, sufficient to charter, strengthen, and equip, a steamer, the government furnishing such officers and men as choose to volunteer to go."

The citizens of Bald Eagle Valley, Centre county, are to have a grand circular hunt on the 7th inst., the space embraced within the several lines to be six miles square, and the parties to centre at Shipley's Cove. The country abounds in deer, wolves, foxes, &c., and with full lines the hunt will prove most successful as it will be impossible for game to escape from the circle.

On Saturday last, the office of the State Bank at Camden, No. 72 Church alley, was entered by false keys, and robbed of \$6,243, principally of the notes of the Camden Bank, during the temporary absence of the agent in making his usual morning exchanges with Philadelphia banks. Three or four of the notes stolen are of the denomination of \$500, printed on blue ink.

ACQUITTED.—The Jury, in the case of the United States vs. James McMaster, tried at Pittsburg, for harboring a fugitive slave, returned a verdict of acquittal, the prosecutor to pay costs amounting to about \$1200. Among the jurors were Gen. Joseph Markle, Mr. Johnston, (father of the Governor,) and Hon. Jasper E. Brady.

Fatal Affray.—We learn that an unfortunate affray occurred at Plymouth, Luzerne county, on Monday evening last, between Joel K. Gabriel, and A. W. Young, in which Mr. Young was killed. The parties had been drinking, which led to the quarrel. Horrified.—Bloomburg Democrat.

The editor of the Delaware Gazette, having enjoyed an "extended vacation" with Mr. Walker, during his late detention in Wilmington, authoritatively denies any change of his views in reference to the tariff or the ad valorem system of duties.

New Orleans, Nov. 28.

The captain and first engineer of the ill-fated Louisiana have both been discharged from custody. There is no evidence to implicate them in the least. The second engineer is supposed to have been the cause of the disaster, and is now here to be found.

The jury in the case of John S. Bussler, publisher of the Fayette Whig, on trial in Pittsburg for robbing the mail, on Saturday returned a verdict of acquittal. The jury on a former trial had been unable to agree.

The mail which was made up at the Post Office in Oswego, on the 3d inst., and which should have reached New York on the 6th has not been heard from. It contained drafts and checks to the amount of \$12,000 or \$13,000.

We regret to learn that the barn of Mr. Caleb Appleman, of Valley township, about two miles from Danville, was consumed by fire, early on Friday evening last, with all its contents.

It appears that the arrest of Mr. ex-Secretary Walker, in Delaware, was upon an accommodation note for \$3,740, drawn nine years since in Mississippi, and upon which he was the third endorser.

Miss Cornelia Scott, daughter of General Scott, was married in New York, on the 28th inst., to Major H. L. Scott, aide-de-camp to the commander-in-chief.

Hon. Simon Cameron, will please accept our thanks for a copy of the Report of the Secretary of the Treasury on the War-treasury System, for 1810.

THE CHRONICLE.
Lewisburg, Pa.

Wednesday Afternoon, Dec. 5.

It is of the first importance to the health of every one—especially during wet weather—to keep the feet warm and dry, constantly—for no one thing tends more to the preservation of health. The evil effects of damp feet may not be immediate, but they are not the less certain. In a wet season, the shoe-maker is a greater friend of health than the tailor or hatter.

Keep the feet warm and dry, the head cool, and the bowels open, is the grand recipe of a distinguished physician.

WRITING ACADEMY.—The number of pupils under Mr. Shelp's instruction is so large, and their improvement is so decided, that he is induced to commence a SECOND TERM on Monday next.

Parents and guardians who wish those under their care to improve in penmanship can decide for themselves by examining the specimens at the writing rooms, (late Dr. Ludwig's brick office)

"Some hardened villain robbed the Missionary box of the Lewisburg Sunday School recently."

The foregoing is diluted from the statement that two of the boxes of the six Sunday schools in Lewisburg were robbed—but the altered statement of the facts are here given in a "City paper." Generally however, such news enlarge by traveling. For instance, a gentleman here who had a back kitchen burned down last winter, was much enlightened on going to New Berlin a few days after by learning from a "City paper" that he had been burnt out of house and home!

BRIG. S. GILMORE, of the Bloomsburg "Star," has been elected by 23 majority as MAJOR of the 1st Brigade 9th Division Penn'a Volunteers. Let it no more be said that "Republicans are ungrateful!"

The official canvass of the election for the eight State Officers lately chosen, in New York, shows an average Whig maj of 152 only. Close work, that!

Allotments on the North Branch Canal.

On Saturday the Board of Canal Commissioners made the following allotments of the work in the North Branch Canal:

John Snodgrass; 112. John Snodgrass; 113. Mead & Carrigan; 114. Francis Blair & Co.; 134. Jackson McFadden; 159. John Sturdivant; 162. George Liebrich; 173. Cochran & McLane; 174. John McMahon; 182. Boston, Dec. 1.

Last evening the mutilated remains of a body, supposed to be those of Dr. Parkman, were found under the Medical College, where he was last seen alive. At 11 o'clock Professor Webster, of the College, was arrested upon suspicion of having committed the murder, and was lodged in jail. When arrested he displayed the greatest agitation. The whole affair about to undergo a rigid investigation. The evidence is believed to be wholly of a circumstantial character.

A subsequent despatch says that Dr. Parkman's remains are reported to have been found in the Medical College, in Dr. Webster's private room, mostly buried. Dr. W. is now confined in the Leverett street jail.

[Later reports bear strongly against Dr. Webster.]

Charles M. Gearhart, of Rush township, Northumberland county, has been arrested in Mount Vernon, Ohio, on a charge of having stolen money to the amount of about \$1000 from different letters mailed and received at the Post Office in this Borough where he had lately been employed as Clerk.

P. S.—Since the above was in type, a letter has been received from Mr. Garrettson, stating that the sum of \$3684 in cash and checks had been found in the possession of young Gearhart, and placed in the hands of the Sheriff of Mount Vernon for safe keeping. It will probably take some time before Mr. Garrettson can return.—Danville Dem.

Mr. A. C. Goel, agent of Prof. Morse, visited Danville last week, and is now engaged in making arrangements for building the Susquehanna river and North and West Branch Telegraph line; he is soliciting stock for this important enterprise. By this line it is proposed to connect all the principal towns on the Susquehanna and the branches, with Harrisburg, Baltimore, &c.

The Legislature of Alabama have elected Wm. R. King and Jeremiah Clemens, as Senators of the United States from that State. Mr. King is at present a member of the Senate, his term expiring in 1855. Mr. Clemens, who is a Taylor democrat, is chosen in place of Benj. Fitzpatrick, whose term expires in 1858.

Thirty-first Congress.

The first session commenced at Washington on Monday last. The Senate was organized with 40 Members, but nothing of interest occurred.

The House of Representatives was called to order at 12 o'clock, by Thos. J. Campbell, former Clerk.

The roll being called, all the returned members answered except Shepherd of N. C., King of Ga., Atkins of Ala., and Gentry of Tenn. 4 Whigs—also Brown of Miss and Hubbard of Ala. 2 Democrats—and Julian of Ind, Free Soiler.

Number present, 223; absent, 7; one vacancy in Palfrey's district, Mass.

On motion of Mr. Boyd, the house proceeded to the election viva voce for Speaker.

Messrs. Duer, of N. Y.; Miller, of Ohio; Hilliard, of Ala.; and Strong, of Pa., were appointed tellers.

The House having proceeded to ballot, the following was the result, viz:

Howell Cobb of Ga, Dem	103
Robt C Winthrop of Mass, Whig	96
David Wilont of Pa, Free Soil	8
Meredith P Gentry of Tenn, Whig	6
Horace Mann of Mass, F. S. Whig	2
Jos Thompson of Pa, Dem	1
C F Cleveland of Ct, Dem	1
Jas A Seddon of Va, Dem	1
Jos L Orr of S C, Dem	1
David T Dimsey of O, Dem	1
Jos M Root of O, F. S. Whig	1

Necessary to a choice 111.

Cobb and Winthrop did not vote.

There being no election, the House proceeded to a second ballot. The vote resulted as follows, viz: Cobb of Georgia, 103; Winthrop 97; Wilmont 8; Mann 2; Cleveland 1; Darke 1; Stanton, of Tenn. 1; Gentry, 6; Woodward, of South Carolina, 1; Dancy, of Ohio, 1; James Thompson, 1; Sedden, of Virginia, 1. 221 votes. There being no election,

A third ballot was had, when it appeared that Mr. Cobb received 102; Winthrop, 96; Wilmont, 7; Gentry, 6; Mann, 2; Cleveland 2; and scattering 6—221 votes. There being no election.

Mr. Holmes moved that the House adjourn; and on motion the question was taken by tellers—Messrs. Cabell, of Florida, and Boyd, of Kentucky, acting as such. The House refused to adjourn by a vote of 97 in the affirmative and 108 in the negative.

The House then proceeded to a fourth ballot. It resulted as follows, viz: Cobb, 102; Winthrop, 96; Sedden, 2; Gentry, 6; Cleveland, 2; Mann, 2; Jas. Thompson, 1; Stanton, of Tenn., 1; Booth, 1; Wilmont, 7; Potter, 1—total 221. There being no choice and no prospect of one, On motion of Mr. Levin, the House agreed on a count by tellers, to adjourn till to-morrow morning at 12 o'clock. There being 121 for the adjournment, no count was taken of the negative.

It is quite doubtful whether the House will be organized, and also as to who the Speaker will be.

Postmaster General's Report.

This document appears in yesterday's Baltimore Sun. It speaks well for that Officer and for the Low Postage System.

Judge Collamer estimates an excess of revenue in the Department at the end of the present fiscal year of One Million of Dollars.

He recommends a uniform rate of letter postage at five cents per half ounce.

The cost of transportation in every mode except by rail-road has been reduced.

E. A. Kuzner, was elected on the 3d ult., Brigade Inspector of the Northumberland county Brigade, in place of Maj. W. H. Kase, elected Maj. General of the Division.

Solomon Gudykunst, formerly of Milton, has been appointed Postmaster at Jerseyshore.
